

Call for Student & Post-Doc Volunteers

Present to High School Students for Early Academic Outreach

National Youth Leadership Forum

- **Tuesday, July 10, 2018**
- **Monday, July 23, 2018**
- **1:00 pm to 2:05 pm**
- **Parnassus Campus**

UCSF Early Academic Outreach Program & NYLF

The Early Academic Outreach Program seeks Medicine, Pharmacy, Dentistry, Nursing, Physical Therapy, and/or General Science student/post-doc volunteers to provide a presentation at the 14th annual National Youth Leadership Forum (NYLF). At NYLF, 150 high school students from across the country visit UCSF to see what campus life is like and to take mini-classes at Parnassus.

Sharpen your presentation skills, share your health science interests, and deepen students' interest in the health sciences by delivering a presentation or 'mini-class.'

Email Angel-Max.Guerrero@ucsf.edu or visit cseo.ucsf.edu/NYLF for more information.
