cseo.ucsf.edu

Bay Area Science Fest - October 25-November 2, 2019

sep.ucsf.edu

STEM Career Day - March 2020

sep.ucsf.edu

Funding and Resources

Center for Community Engagement Partnership Grants

Grants for partnership projects and programs where community-based organizations and UCSF affiliates work together.

partnerships.ucsf.edu/partnership-grants-program

Center for Science Education and Outreach (CSEO) Mini-Grants

Support for UCSF programs working to expand health science exposure to underrepresented students and communities of color.

cseo.ucsf.edu

NIH Diversity Supplements

Funding to attract minority trainees and faculty to research careers.

ucsf.edu/rdo/diversitysupplements

University of California, Office of the President Historically Black Colleges and Universities Initiative

Funding opportunities for programs seeking to improve diversity and strengthen UC graduate programs by investing in relationships between UC faculty and Historically Black Colleges and Universities (HBCUs).

ucop.edu/uc-hbcu-initiative

Outreach Programs

Building Infrastructure Building to Diversity (SF BUILD)

Funded by the NIH and based at San Francisco State (SFSU) in partnership with UCSF, BUILD enhances diversity of the biomedical research workforce by transforming teaching and research environments at SFSU.

sfbuild.sfsu.edu

Center for Science Education and Outreach (CSEO)

Works with K-16 first-generation, socioeconomically disadvantaged and/or English-language learners to foster academic development and prepare for post-secondary education.

cseo.ucsf.edu

Doctors Academy - UCSF Fresno

A supportive and rigorous education pipeline program for students from disadvantaged and underrepresented backgrounds with the goal of developing future health professionals who can deliver culturally sensitive services to the ethnically diverse population of Fresno County.

fresno.ucsf.edu/latino-center-for-medical-education-and-research/about-da/

Post Baccalaureate Programs

For individuals from disadvantaged backgrounds or underserved communities who plan to apply to a graduate program and have completed the required undergraduate course work, but may need more preparation before initiating the application process. These UCSF schools offer comprehensive Post Bacc programs:

- School of Dentistry: dentistry.ucsf.edu/programs/post-bac
- School of Medicine: meded.ucsf.edu/post-baccalaureate-program
- School of Pharmacy: pharmd.ucsf.edu/admissions/postbacc

PRIME Summer Outreach - Health Pipeline Programs

PRIME hosts health pipeline organizations to come and visit the UCSF campus. PRIME students work with these organizations to develop site visits, tours, student panels, and other engagement activities.

meded.ucsf.edu/prime

The Science and Health Education Partnership (SEP)

Connecting San Francisco public schools and our community with science and scientists.

sep.ucsf.edu

Internships

ENVISION Internships

The UCSF Department of Neurosurgery and the non-profit Oasis for Girls organization partner to expose San Francisco high school girls from underrepresented communities to careers in the medical field and help them build professional skills.

neurosurgery.ucsf.edu/envision-internship-program and sfoasis.org

Promoting Underrepresented Minorities Advancing in the Sciences (PUMAS)

A paid biomedical research internship program for community college students offered by the Gladstone Institutes in San Francisco.

gladstone.org/connect/outreach/pumas-internship-program

Student Engagement

Latino Medical Student Association (LMSA)

LMSA at UCSF strives to address the health disparities which exist in underserved communities by contributing to the increase in physicians who will work in underserved and marginalized communities.

ucsf.orgsync.com/org/lmsa/home

Student National Medical Association (SNMA)

SNMA at UCSF works to increase diversity in the School of Medicine and to meet the needs of minority students: ALL UCSF medical students who are interested in this mission are welcome.

ucsf.orgsync.com/org/studentnationalmedicalassociation62285/home

UCSF Alumni Association

In addition to culturally rich events designed to foster networking and social connections, the Alumni Association works to ensure that diversity is reflected in student recruitment efforts.
